

67. (New) The system according to claim 65, further including:
a time stamp device to time stamp the occurrence of a Self-Diagnostic Test performed by the diagnostic device.

REMARKS

In view of the amendments and remarks, the Applicant respectfully requests reconsideration of the rejections set forth in the Office Action dated May 23, 2003. The Examiner has indicated that claims 4-6, 13, 17, 26-33, 38-41 and 48 would be allowable if rewritten in independent form, and rewritten to overcome the §112 rejections.

Accordingly, the Applicant has amended claim 1 which is essentially claim 4 rewritten in independent form. Similarly, amended claim 10 is essentially claim 26 rewritten in independent form, while amended claim 34 is essentially claim 39 rewritten in independent form. Regarding new claims 49-67, new independent claim 49 is essentially claim 6 rewritten in independent form, while new independent claim 52 is essentially claim 17 rewritten in independent form. New independent claim 55 is essentially claim 13 rewritten in independent form, while new independent claim 58 is essentially claim 38 rewritten in independent form. Finally, new independent claim 62 is essentially claim 40 rewritten in independent form, while new independent claim 65 is essentially claim 48 rewritten in independent.

Regarding the drawing objections, the Applicants have amended the Specification, as set forth above to more correctly indicate the location of the reference numerals with the corresponding figures. FIGURE 4 has been amended to include reference numeral 38 as requested.

If the Examiner has any questions concerning this case, the Examiner is respectfully requested to contact Michael L. Louie at (510) 843-6200.

The Commissioner is hereby authorized to charge any additional fees, including any extension fees, which may be required or credit any overpayment directly to the account of the undersigned, No. 50-0388 (Order No. WEB1P003).

Respectfully submitted,
BEYER WEAVER & THOMAS, LLP
